EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Geoffrey Myers on 3-3-05.

The application has been amended as follows: in claim 39 in lines 7-8, replace “, said first ends being affixed” with - -and coupled- -.

In claim 39, in line 19 replace “.” with - -; and each of said first and second banks of rotatable units including a plurality of disks comprising first and second outer walls defining a hollow interior space therebetween, one of the first and second outer walls including a plurality of apertures, the picking elements extending through one of the apertures and into the hollow interior space, then extending out of another of the apertures to form a portion of the picking elements not inside the hollow interior space.- -

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance: the limitations of “...each of said first and second banks of rotatable units including a plurality of disks comprising first and second outer walls defining a hollow interior space therebetween, one of the first and
